

# Employee of the Month

## *Allen Henson*

### *EMS*

Hardin Medical Center is pleased to announce the Employee of the Month is Allen Henson. Allen joined the Hardin County EMS team in July 1997. He is one of the long-term employees that demonstrates a love for the EMS department and especially for the citizens of the community he serves. Allen is well known throughout the greater Hardin County area. Many patients and family regularly express thankfulness that Allen was on their transport team when EMS was called.

Allen's outstanding work ethic and commitment to HMC EMS is constantly demonstrated by his working many extra shifts; often at short notice, and taking on many additional responsibilities to assure Hardin County EMS runs as smoothly as possible. Allen is well respected by his co-workers, the community, and especially the staff of Hardin Medical Center.

"Allen's knowledge and love of Emergency Medical

Services is evident on many levels. I believe Allen is an excellent example of a great HMC employee and very deserving of the Employee of the Month honor," said co-workers Matthew and Amy Oakley.

Telemetry Unit Manager Shane McGee said, "Allen goes above and beyond while working at EMS. Allen works daily, while at work or at home, to work shifts and make sure they are covered on the EMS schedule. He orders supplies for the department and maintains the ambulances to assure they are in top working order. Allen is a long-term employee that deserves to be recognized for his good work."

When life-threatening emergencies occur, it's comforting to know someone of Allen Henson's caliber is on duty and working to save lives. Thank you, Allen, for your outstanding work ethic and for making a difference. Hardin Medical Center is proud to have you on the team!

## *Excellence in Action*
