

Santrice Cummings / *Obstetrics*

Hardin Medical Center proudly announces Santrice Cummings is the Employee of the Quarter. Santrice has been on the HMC team since 2015. She is a technician in the Obstetrics Department (Labor & Delivery).

Santrice's manager said, "She is a very hard worker and always has a positive attitude. She keeps our unit running smoothly by knowing our needs even before we ever know what they are! She

keeps our area well stocked and organized. Santrice will also help out in other areas when needed. Additionally, Santrice has the hidden talent of crowd control! Santrice is always able to keep everyone calm, organized, and on task especially when things get extra busy in Labor and Delivery. Santrice always comes to work with a smile on her face."

The OB team would like to thank Santrice for all her hard work, for being the best co-worker, and especially for being a great friend. Hardin Medical Center recognizes Santrice Cummings as an outstanding employee. We are proud you're on our team.

Congratulating Santrice are: (l-r) Nick Lewis, CEO; Santrice, Employee of the Quarter; Jane Anna Cummings, OB Nurse Supervisor; and Wendy Trickey, CNO.
